Bielskie Stowarzyszenie Artystyczne

The Teatr Grodzki Bielskie Association

was founded in 1999. A group of artists, teachers and culture animators has been working for the benefit of social groups threatened with social marginalisation, with limited access to the world of culture and art, young people and the elderly. Among them there are disabled both mentally and physically, young people with behavioral problems, people from dysfunctional environments, orphanages and various resocialising centers.

The past And the Present

Activity Workshops - „You are needed!”

The workshop provides the opportunity for the disabled for integration into the society and gaining employment. Terapia w Warsztacie prowadzona realizowana jest na podstawie indywidualnych planów rehabilitacji.

The cost of operations are co-financed from the PFRON means and local government.

Workshop of Job Activities

Printing Workshop

The workshop employs 40 disabled workers and 11 permanent staff

It is a normal company working out profit. However it is not fully independent. Only about 20-25% of the profit comes from the workshop.

The profit is used for the need of Workshop of Job Activities, or other words for the need of the disabled.

Workshop of Job Activity is for the Disabled, both mentally and physically. The main aim of the ZAZ is to prepare the employed for the work in the normal market. Another objective is to provide assistance in active life. The workshops operate in various fields.
